RE: Canadian Application Corresponding to PM 697/Helf. 582-847
"Continuous Expansion" of Lendvay et al.

Dear Terri:

In accordance with our discussion last Thursday, I would recommend that you advise your agent to cancel claims 7 - 11 in view of the rejection based on the Frederickson reference.

Thanks for your fine assistance in dealing with this and related cases.

Sincerely,

Susan A. Hutcheson
